Event Schedule and Activities

Please join us for the following workshops:

The Workshop area is found in the middle of Club 7 where there are rows of chairs setup for seating. Lunch will be in the outdoor area with tables and chairs for seating.

10:00 a.m.:	**STEM: Education to Innovate**
	Learn about STEM (Science, Technology, Engineering, and Math) and the impact it has on the world and the workforce of the future.
10:35 a.m.:	**Let's Talk Transition**
	Engage with Veterans from Intel and PG&E to learn how they used their military experience to land a job in the corporate sector and become a key contributor to the business.
11:00 a.m.:	**Special appearance by NASCAR Driver Brad Keslowski.**
11:00 to Noon	**Lunch available for purchase**
Noon to 3:00 PM	**Career Fair**

About NASCAR Driver Brad Keslowski

Keselowski was born in Rochester Hills, Michigan, where he grew up in a racing family. He is the son of Kay and Bob Keselowski and the nephew of Ron Keselowski. Keselowski enjoyed one of his most productive seasons in 2014 as he claimed a series-leading six victories in Sprint Cup Series competition. He also produced a single-season career-high five pole positions while earning the second-most Coors Light Pole Awards among all drivers this past season. Driving the Miller Lite/Alliance Truck Parts/Wurth Ford Fusion, Keselowski was the only driver to sweep both the NASCAR Xfinity Series and NASCAR Sprint Series races in a single weekend, a feat which he accomplished twice (Las Vegas and New Hampshire) in 2014.
